

ECO TOURS

PUGMARKS Monsoon Treks

Rajmachi Trek

District: Pune
Fort Height: 3000 feet
Base village: Tungarli Village, aprox. 65 kms from Pune.
Activity: Long trek

Rajmachi consists of two beautiful peaks namely '**Shrivardhan**' and '**Manoranjan**'

They can also be considered as two separate forts with a small plateau in between them. A temple of '**Bhairoba**' here is very beautiful. Shrivardhan is 'Bale killa' of Rajmachi. It is almost 3000 feet high. But it was mainly built to keep a watch on Konkan area. The other fort of Manoranjan is 2700 feet high consisting of strong walls, 3 doors and many water tanks.

The old caves of '**Kondhavi**' on Rajmachi fort are worth seeing. The way to the fort is long but truly with a good view. One can enjoy a nice forest, '**Tungarli lake**' and many waterfalls as well. Truly, Rajmachi is one of the good places to visit around Pune.

One can also see Ulhas River, Dukes Nose (Nagphani), Karnala, Matheran, Mahuli and Bhimashankar.
