

Trek to Tikona fort

District: Pune
Height: 3500 feet
Base village: Tikona Peth, around 60 Kms from Pune.
Activity: Trekkking

Tikona is a hill fort in Maval region near Kamshet. The fort is of pyramid shape and hence popularly known as 'Tikona' or Triangle. It is also called as 'Vitangagad'. The fort is almost 3500 feet high but not as difficult to climb like his partner 'Tung'. 'Tikona Peth' is the village nearest to fort Tikona. Though Tikona is not very

difficult, but its 'Bale killa' is a difficult job. The trekking is tiresome. There are few monuments on the fort to see like the big doors, the temple of 'Trimbakeshwar Mahadev', a water tank and few caves of Satvahan era. The view of Pawna dam and other forts like Tung, Lohagad and Visapur is beautiful.

"So join us to enjoy the thrill of trekking on the misty mountain"
