

Vanvihar Monsoon Outing

Nearest town: **Karjat**
 Base village: **Ambivali village**
 Activity: **Swimming, enjoyable trek and optional climbing**

This is a panoramic location near Ambivali village. What is so special about this place is that in such a close proximity to the civilization is tucked away a place that takes you back in time. You can leave all your work pressures back in the city and just unwind yourself. You can trek or just take a nice walk along the green fields watching a flock of egrets walking

with the buffalos, or climb to a rock cut Shiva temple or better still swim in the refreshing waters of the monsoon stream.

Needless to say... carry your camera.
